## ANNOUNCEMENTS

*Benedicta is settling into her new place in Oklahoma and connecting with the church there. Her new address is: Benedicta Akaribo Essuon, 41 South University Place, Demaree Neighborhood, Stillwater, OK 74075.*

New Adult Class: **Hope in Times of Fear** (January 16 - Easter); Teachers: David Swayne, Ben Lastly, Don Neill  
Tim Keller inspires this study through his recent teaching on hope. This study reveals a Gospel that makes one central point: everything depends on the resurrection of Jesus. This is the master key that opens all the locks. Or to put the point in the Bible's chosen metaphor, this is the cornerstone on which everything rests and holds together. Saturated with the story of Scripture. Keller shows how consistently God confounds the wisdom of the wise, bringing strength out of weakness, joy out of sorrow, and ultimately life out of death. This pattern—what he calls the Great Reversal—is a thread you can find all over the Bible and pull all the way to the death and resurrection of Jesus. This Hope reveals God's power - which will someday heal and renew the world - into our lives now. That power is manifest only partially, but yet substantially. This hope works for change in our lives and in our society; a hope that changes Christians in every way, shaping every aspect of our lives.
