## ANNOUNCEMENTS

Congratulations to our UGA Graduates: Laurel Tipps - Doctor of Veterinary Medicine, Gabi Hamilton - Doctor of Veterinary Medicine, Ben Harrison - Master of Arts, Will Strickland - Master of Poultry Science, and Danielle McNabney - Doctor of Veterinary Medicine. Our prayers go with each of you in the next phase of life and we thank you for spending these years with us!

*So grateful for the love, prayers and support from everyone. Dad is at home on hospice, bed bound and very weak. He enjoys hearing messages from everyone, but so sick he can only make it for a few minutes of a visit. He is comfortable and very peaceful, talks a lot about how beautiful heaven is. We love you all, and hope to see you soon. Keith Rainey*

*Thank you to everyone that contributed to the building fund for Right Steps. Your generosity and love for Chi and her mission work in Nigeria is amazing. So far the donations from Campus View members total \$11,940. Thank you for always stepping up when there is a need! For the children of Susana Homes, Anita Swayne*

*To my Campus View family, I want you all to know that your kindness, prayers, and concern during my recent hospitalization and surgery have been greatly appreciated. All the cards, calls, meals, and other words of encouragement have been invaluable to Tina and to me as my improvement and rehab continue. From the bottom of our hearts, thank you and praise God for every one of you. May God Bless you all, Bill Carter*
